The Green Map System (GMS) shows the interconnections between nature and culture in urban places. Each Green Map is created locally and follows globally designed green space icons, a shared language of symbols. The Green Map System is a not for profit organization. To learn more about GMS see www.greenmap.org. Email info@greenmap.org, or call 212-674-1631. For further information on the NJMC, visit our web site at www.meadowlands.com/njmc. Copyright, larger maps, and brochures: Environmental Design Research Institute on its former NJMC of the Green Map, 1 Delaware Park Plaza, Larchmont, New Jersey 07638.
