The Keegan Landfill is located at 437 Bergen Avenue, Kearny, New Jersey, less than ¼ mile northwest of the NJTPK 15W interchange near Route 280. We recommend that all trucks access the site from the NJTPK, but some alternate routes are noted below.

**From NJ Route 17 South:** Continue on Route 17 South past the Route 3 exits. Route 17 becomes a local road. At the second light (top of hill), turn left onto Orient Way to end. Turn left onto Schuyler Avenue. At the third light, turn left onto Belleville Turnpike (CVS on the left corner). Continue on Belleville Turnpike for 2.8 miles to Route 508 West. Drive 1.6 miles and turn right onto Bergen Avenue (just after the NJTPK 15W interchange), and proceed to the landfill entrance on the right. Note that trucks are not allowed to use Schuyler Avenue in Kearny.

**From the NJ Turnpike Exit 15W:** Use Exit 15W (Route 280/Jersey City) to Route 508 West towards Kearny/Harrison. Proceed for approximately 0.2 mile, and turn right onto Bergen Avenue. The landfill entrance is on the right.

**From Route 3 Eastbound:** Exit onto Route 21 South towards Newark. Take Exit 7, Main Street Belleville. At the end of the ramp (light) turn left onto Main Street. Follow signs to Belleville Turnpike (NJ Route 7 East). Proceed over the bridge and continue east on Belleville Turnpike. Follow directions noted above for Route 17 South.

**From Route 21 North:** Use Exit 6, Belleville/North Arlington, and turn right onto Belleville Turnpike (NJ Route 7) East. Continue east on Belleville Turnpike. Follow directions noted above for Route 17 South.

**From Route 280 East:** Use Exit 17B, Route 508 (Harrison Avenue/Newark-Jersey City Turnpike) west towards Kearny/Harrison. Proceed 0.2 miles, turn right onto Bergen Avenue then right into the landfill entrance.
