

2016 Hackensack River Pontoon Boat Cruise Registration Form

Enjoy a guided pontoon boat cruise along the Hackensack River and its marshes. An experienced tour guide will talk about the history of the river and its tributaries, including its natural and man-made features, and look for birds and other wildlife that inhabit the marshes. The leisurely cruise is a great way to see nature up-close and gain a new appreciation of the natural beauty of the Meadowlands and its unique urban eco-system.

Boat cruises last approximately 2 hours and leave from River Barge Park in Carlstadt. Suggested donation is \$15 per person. All proceeds go toward the restoration of the Hackensack River Ecosystem. Pre-registration is required. Pontoon boats hold up to 12 people. Group trips are also available. Cruises are fully insured by the NJSEA. Trips are for ages 10 and up.

Due to overwhelming demand, reservations cannot be held until we receive your registration form and check or cash payment. We do not accept credit card payments. A confirmation letter and directions to River Barge Park will be mailed to you once we receive your payment.

For more information, to check availability, or to arrange group tours, contact Cathy Vonk at cathy.vonk@njmeadowlands.gov or call 201.460.4677.

Inclement Weather: *In the event of bad weather, cancelled cruises can be rescheduled. We will contact you regarding cancellations and make-up dates.*
