

RIVER BARGE PARK - BOAT SLIP BIDDING PROCEDURE

1.0 General Description

The New Jersey Sports and Exposition Authority (formerly the New Jersey Meadowlands Commission) will receive bids for the lease of three boat slips at its River Barge Park marina, located on the Hackensack River, at 260 Outwater Lane, in the Town of Carlstadt, New Jersey. A total of three slips (numbers 1, 3, 11, as shown on the attached plan) are available for lease. The maximum boat length is 28 feet, including all appurtenances.

The slips are sorted into categories, based on depth of water at high tide and access to hose bibs. The categories available for 2014 are as follows:

<u>Category</u>	<u>Slip Numbers</u>	<u>High Tide Depth*</u>	<u>Hose Bib</u>
A	1, 3	9' - 13'	no
BW	11	7' - 9'	yes

* Please note: The depths shown were measured at a high tide of 6.2 and while deemed accurate, are not guaranteed.

There are shared hose bids located near slips Number 2, 4, 8, 10 and 14. **None of the slips have electrical service.**

Support services for lessees free boat ramp, a waste disposal station, and a yard hydrant.

Any prospective bidder wishing to visit the marina prior to placing a bid may visit the site from dawn to dusk 7 days a week. Directions to River Barge Park are included at the end of this document.

2.0 Park Amenities

River Barge Park is open to the public from dawn to dusk, 7 days a week. Parking, boat ramp, restrooms, picnic areas and rowing dock are open to all visitors.

3.0 Lease Period

The lease shall be for a period of one season. Boats may not be launched prior to April 1, 2015 and must be removed from the marina no later than November 1, 2015.

Trailers may not be parked long-term at the marina. Trailer parking is reserved for boaters using the ramp for day trips.

4.0 Access To Marina

Operating hours: Lessees will have access to their boats 24 hours a day via a controlled access gate. A \$30 deposit is required to obtain a remote 'key'. Following execution of the lease, please contact Angelo Urato at 201-460-4680 to make arrangements.

Security: Cameras will monitor the site 24 hours a day, 7 days a week. NJSEA personnel will not be on site full time: staff will inspect the site daily and will be available by phone in case of an emergency. Contact person will be Angelo Urato at 201-460-4680.

5.0 Submission of Bids

Bids will be opened at 6:00 PM on Wednesday April 8, 2015. All bids must be properly and fully completed and signed. No bids will be accepted after the designated time.

Bidders may submit a bid on one, all or any slips they are interested in. Bidders should note the minimum lease prices indicated on the Bid Forms at the end of this document. Any bids submitted that do not meet or exceed the minimum will be rejected.

Deliver bids to: Lisa Cameron, NJSEA, 1 DeKorte Park Plaza, Lyndhurst, NJ, 07071.

You may bring your bid(s) to the bid opening or deliver them in advance.

No bids will be accepted after 6:00 PM on April 8, 2015.

Call Lisa Cameron at (201) 460-4658 with any questions.

Bidders need not attend the bid opening. However, it may be helpful to be present, in the event that a bidder is unsuccessful in securing their first choice of slip and then wishes to bid on the next category.

Bidders shall submit a security deposit for each bid submitted. For slips 1 and 3, bid security shall be \$150. For slip 11, bid security shall be \$120. The deposit shall be included with the bid and may be a personal check made out to the New Jersey Sports and Exposition Authority. Bid security will be returned to all bidders, except the high bidder for each slip, within one week of the opening of the bids. The bid security of the high bidders will be returned, or applied toward the lease, at the bidder's option.

6.0 Bid Opening Procedure

Bids will be collected for slips 1 and 3 (Category A): the top 2 bidders will be awarded leases. The highest bidder will have the first choice of slip. In the event of equal bids, the slips will be assigned, in number order, by a random drawing of the highest bidders' names.

Bids will then be collected and opened for slip 11 (Category BW) with the lease going to the highest bidder.

7.0 Right of First Refusal

Lessees from the previous season had the option of renewing their lease(s) prior to this public bid: 2015 lessees will have the same right for the 2016 season. Renewal shall apply to the same slip only: a lessee wishing to change slip locations must bid with the general public. Renewal commitment must be made prior to the start of the next bidding cycle. Lessees will be notified of the bid schedule.

The minimum rates prevailing for the new (2016) season will apply to renewed leases. NJSEA may adjust rates, no more than once annually, as it deems necessary, to help recoup the costs of operating and maintaining the facility.

8.0 License Agreement

See Attachment One.

9.0 Marina Operating Rules

See Attachment Two.

10.0 Blackout Dates

The NJSEA may host special events at River Barge Park that will limit lessees' access to the site for that day. No firm dates have been established. Lessees may not be permitted to park at the site during such events. Shuttle buses may bring visitors to the event from an offsite location: lessees may use any such shuttle service to access their boats. Details about scheduled events will be shared as they are finalized.

11.0 Insurance

Each lessee is responsible for providing insurance coverage for all vessels and equipment, in accordance with the attached License Agreement. Copies of insurance certificates, with NJSEA named as additionally insured, shall be provided prior to occupying the slip.

12.0 Waiver of Subrogation

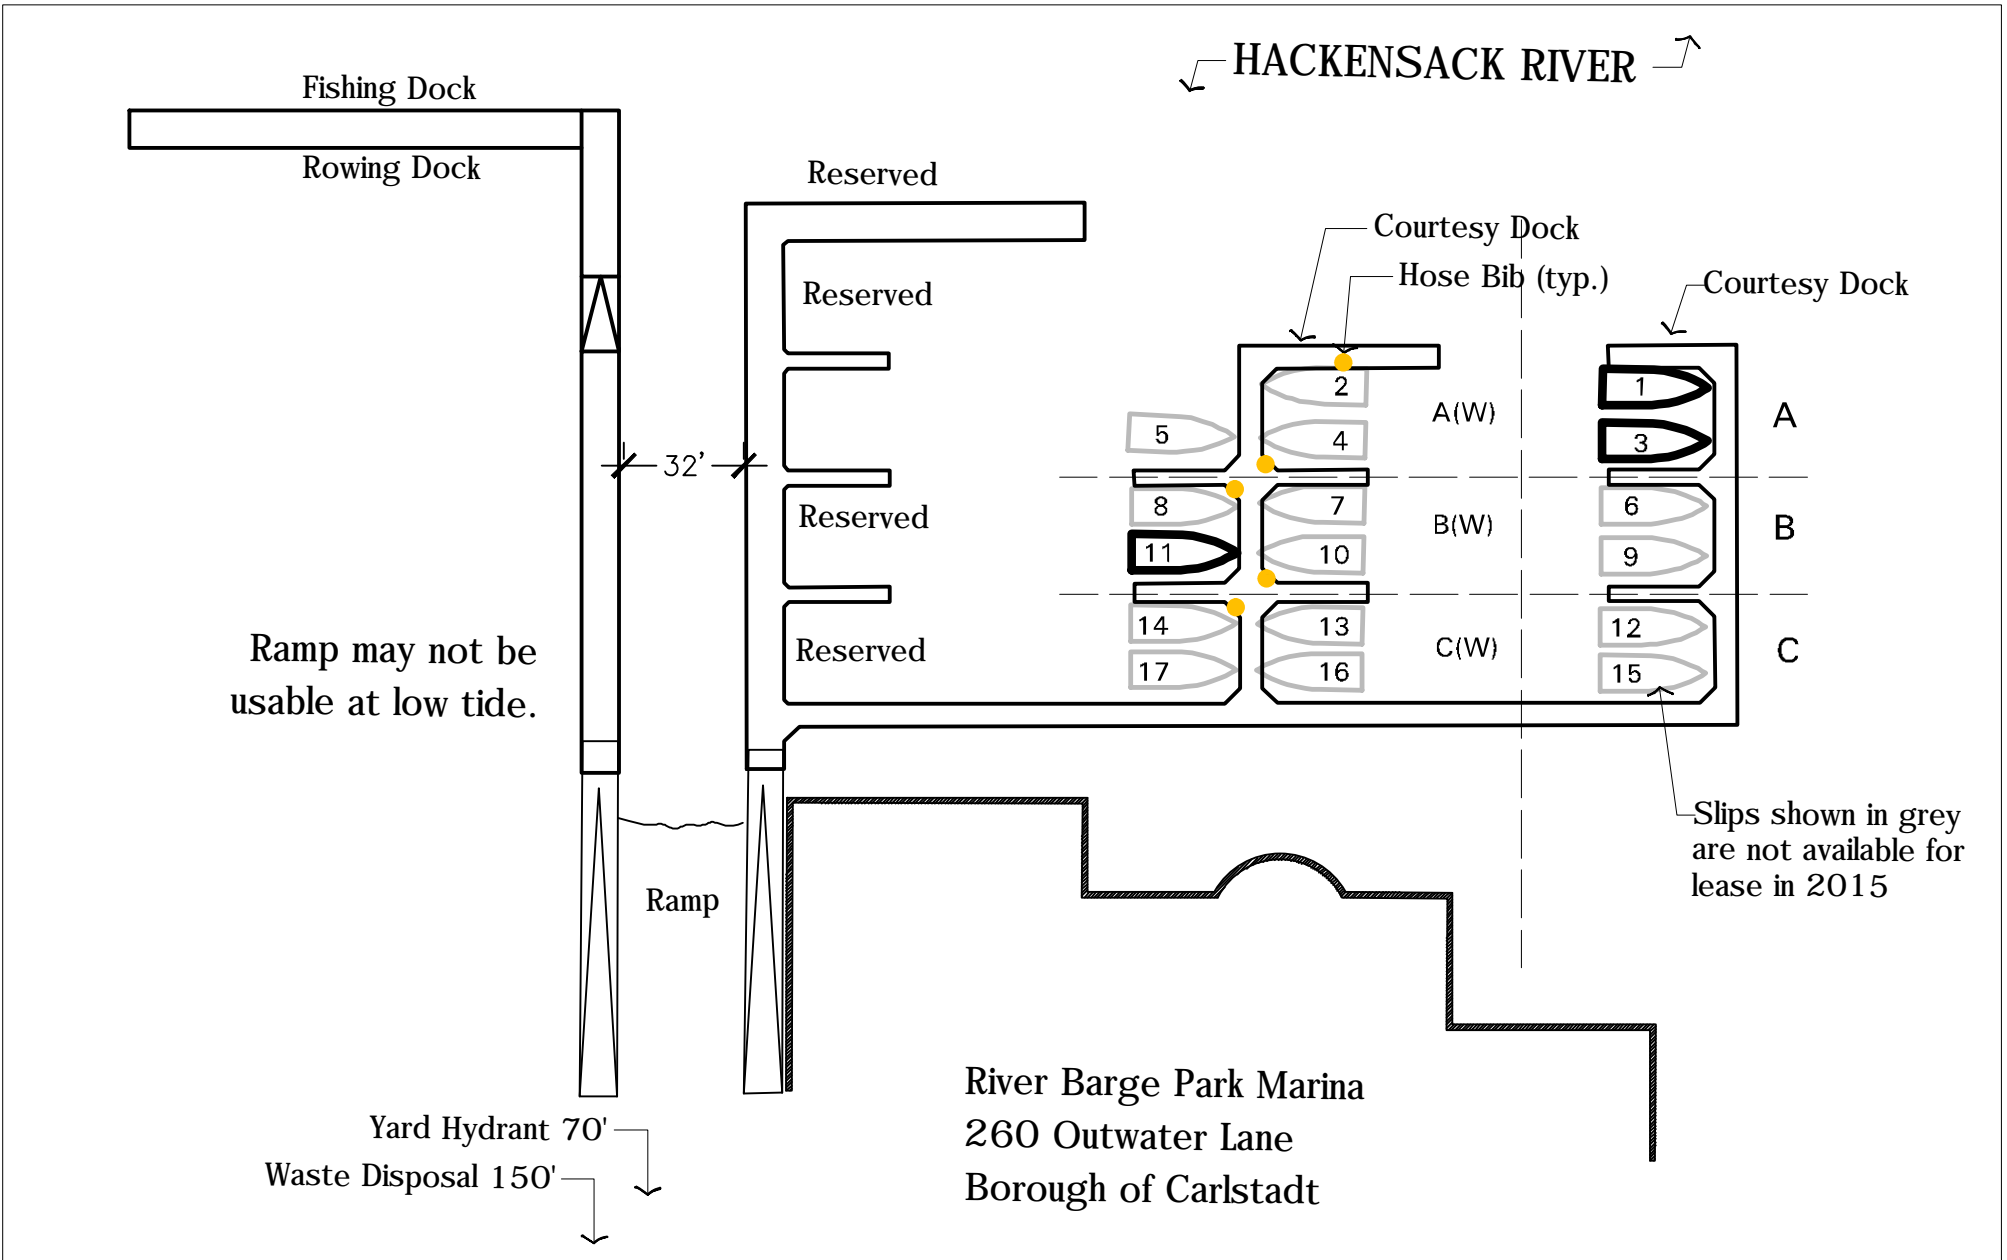

Licensee shall obtain an appropriate clause or endorsement pursuant to which its insurance company waives subrogation with respect to the lessee's policy or policies. A sample form, which may be copied by your insurer, is included at the end of the License Agreement.

13.0 Liability

The New Jersey Sports and Exposition Authority assumes no responsibility or liability for use of the slip. Licensee shall indemnify the NJSEA of any damages resulting from the use of the boat slip, in accordance with the License Agreement.

14.0 Payment

Full payment for the season is required before the lessee occupies the slip; or on May 31, 2015, whichever comes first.

LICENSE AGREEMENT - MARINA AT RIVER BARGE PARK, CARLSTADT, NJ

BOAT SLIP # _____

THIS LICENSE AGREEMENT made as of the _____ day of _____ 2015, between the New Jersey Sports and Exposition Authority (formerly the NJ Meadowlands Commission), with an address of One DeKorte Park Plaza, Lyndhurst, NJ 07071 (hereinafter referred to as "Licensor") and _____, with an address of _____ (hereinafter referred to as "Licensee").

RECITALS:

WHEREAS, Licensor is the owner of the River Barge Park and Marina and surrounding waters located on Outwater Lane in Carlstadt, NJ (hereinafter being referred to as the "Marina");

WHEREAS, Licensee is the owner of a vessel, more particularly described on Exhibit A, and desires to lease a boat slip in the Marina from Licensor; and

WHEREAS, Licensor is willing to lease a boat slip to Licensee pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, the parties hereto for good and valuable consideration agree as follows:

1. Grant and Term of License. Licensor hereby grants to Licensee the exclusive right and privilege to use Boat Slip No. _____, located at Marina and more particularly described on Exhibit A attached hereto (hereinafter being referred to as the "Boat Slip"), commencing on **April 1, 2015 and continuing until November 1, 2015**, unless terminated earlier pursuant to the terms and conditions set forth herein. Licensor reserves the right, in its sole and unlimited discretion to transfer the License to another boat slip in lieu of the one set forth herein at any time and as often as necessary upon 7 days written notice to Licensee.
2. Consideration - For and in consideration of said License, Licensee shall pay to Licensor the sum of _____ Dollars (\$_____) payable as follows:
(i) a non-refundable deposit equal to twenty percent (20%) of the full consideration due upon the execution of the Agreement and (ii) the balance due when the vessel is first docked at the Boat Slip, or on May 31, 2015, whichever comes first.
3. Use – Licensee shall use the Boat Slip and Marina facilities in accordance with this License Agreement and the Rules and Regulations, as the same may be amended from time to time by

Licensor in its sole discretion, which are attached hereto as Exhibit B and made a part of this License Agreement as if set forth at length herein.

4. Liability Insurance – Licensee must maintain liability insurance upon its vessel in the minimum amount of \$300,000 and supply and insurance certificate to Licensor naming Licensor as an additional insured. Licensee shall provide insurance for oil spill and pollution and shall be held fully responsible for any spill and/or pollution caused by its vessel and/or actions.
5. Indemnification – Licensee shall indemnify, defend and hold harmless Licensor from any costs, expenses, damages and against all claims, demands, loss, damage liability lawsuits, causes of actions, including judgments and attorney’s fees for damage to property or injury to third parties resulting or arising from Licensee’s use of the Boat Slip and the Marina facilities.
6. Waiver of Subrogation - Licensee shall obtain, for each policy secured regarding this License Agreement, an appropriate clause or endorsement pursuant to which such insurance company waives subrogation with respect to such policy.
7. No Assignment – Licensee shall not assign its rights under this License Agreement. Licensee is not permitted to sublet, substitute vessels, transfer vessels between Boat Slips or move an additional vessel into the Boat Slip without the specific written permission of the Licensor.
8. Termination – Any breach or failure on the part of Licensee to fulfill any part of this License Agreement and the Rules and Regulations shall give Licensor the privilege of canceling this License without prior notice to Licensee. If Licensor terminates this License Agreement, all prepaid consideration shall be forfeited by Licensee and shall not be refunded to Licensee. Licensee is required to immediately remove its vessel and/or equipment from the Boat Slip upon termination of the License Agreement. If Licensee fails to remove in a timely manner its vessel and/or equipment from the Boat Slip at the termination of this License Agreement, Licensor shall have the option of:
 - a. Charging Licensee three times the daily consideration on a pro rata basis for the space occupied; or
 - b. Taking possession of the vessel (to include removal of vessel from water) and/or equipment and locking it to the space provided; or
 - c. Moving and/or hauling the vessel and/or equipment to another location; or
 - d. Pursuing any other remedy available under law.
9. Attorney’s Fees and Costs of Suit – In the event it becomes necessary for Licensor to retain the services of an attorney to enforce any provision of this License Agreement, then Licensee agrees to pay all attorney’s fees and costs of suit.

10. Completeness – This License Agreement and the Rules and Regulations, as amended from time to time, embody the entire understanding of the parties and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof. This License Agreement may be amended or modified only in writing and signed by the parties hereto. However, the Rules and Regulations may be amended from time to time, in writing, by the Licensor, in its sole discretion. Any aforementioned amended Rules and Regulations shall be sent by regular mail to Licensee at the address contain herein or other such address provided by Licensee.

- a. Licensee shall be deemed to have accepted any such rule amendment unless Licensee provides notice of termination of this Agreement to Licensor within 30 days of receipt of such amendment.
- b. Upon such termination, Licensee shall be reimbursed for the remaining Term of the License on a pro rata basis.

11. Risk of Loss – During the term of the License Agreement, Licensee shall be responsible for any and all loss or damage to Licensee’s property, by fire or other casualty, ordinary wear and tear, or from any other cause or circumstance that may occur.

12. Non-liability of Licensor – It is expressly agreed and understood by and between the parties to this License Agreement that the Licensor shall not be liable for any damage or injury from any cause which may be sustained by the said Licensee or other person.

13. Keys – Licensee agrees to supply keys to its vessel and allow Licensor to move its vessel without notice to Licensee or permission from Licensee under the following circumstances:

- a. any emergency;
- b. repair to the Marina, docks and/or slips;
- c. in the event this Agreement is terminated for any reason including any breach of this Agreement by Owner.

14. Governing Laws - This License Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey.

IN WITNESS WHEREOF, the parties have executed this License Agreement the date and year first above written.

GENERAL RULES AND REGULATIONS - MARINA AT RIVER BARGE PARK, CARLSTADT, NJ

The following rules and regulations shall be obeyed by transient vessel owners in the River Barge Park and Marina (Marina) and the vessel owners that have a contract with the New Jersey Sports and Exposition Authority (formerly NJ Meadowlands Commission). The rules and regulations shall be incorporated by reference into any vessel contract with the NJSEA as set forth more fully therein. In the event these rules and regulations are not adhered to by the owner, the NJSEA shall notify the owner of said breach. In the event that the owner does not remedy same within 7 days, this contract shall be deemed breached and the NJSEA shall, at its option, seek damages or other remedies permitted at law or in equity including but not limited to removing the owner's vessel. Any violation of these rules and regulations or the contract may, at the sole discretion of the NJSEA, result in revocation of contract privileges for the current term, forfeiture of any fees paid and may, at the sole discretion of NJSEA, constitute grounds for non-renewal for subsequent seasons.

I. Conduct of Licensees

- Licensee and their guest(s) agree to conduct themselves in a manner that will not interfere with other vessel owners or the normal business operation of the Marina. Consideration must be given to others as to language, actions, noise.
- The owner of any vessel in the Marina shall be responsible for the behavior of its contractors and guests visiting the owner's vessel.
- Any act which in the opinion of the NJSEA is deemed a nuisance shall be immediately rectified by the owner.
- No vessel moored within the marina shall be used as a place of residence. For the purpose of this regulation, any vessel used for an overnight accommodation in excess of two nights in any seven-day period shall be considered a residence.
- Laundry shall not be hung on vessels, docks or finger piers in the Marina.
- Nothing may be stored on the piers or fingers.
- Spray painting within the marina is strictly prohibited. Other painting/varnishing may be done only in a manner which precludes spillage upon marina waters or any and all public areas.
- Young children must be accompanied by adults and wear approved life preservers while on docks or near shorelines at all times.
- No running on docks.
- Pets must be in Licensee's control at all times. Dogs must be leashed and must be walked off premises. Licensee is responsible for cleaning up droppings.
- Swimming and crabbing from any portion of the Marina is prohibited.
- Fishing is not permitted on any pier except the Fishing Pier. Fish cleaning is permitted only on the owner's vessel or at the foot of the owner's vessel.

II. Rules Concerning Vessels

- The Licensee is obligated to supply its own mooring lines of proper size and condition to safely secure vessel. The minimum requirement is ½ inch dock lines for all vessels up to 28' in length. If Licensee's mooring lines do not meet the Licensor's specifications or fail for any reason, the Licensor reserves the right, but not the obligation, to replace inadequate lines at the Licensee's expense.
- All vessels must be properly moored and tied with adequate mooring lines so as to prevent damage to other vessels, docks or piling during the highest winds reasonably expected.

- The length of any vessel including any and all appurtenances thereon shall not exceed the length of its berth. Vessels shall be moored in such a manner that no part extends beyond the limit of the berth. Addition of equipment to a vessel causing it to exceed 28' is prohibited.
- Upon change of either registered or legal ownership of a vessel moored in the marina, the NJSEA shall be advised of the change within 15 days of the date of sale/transfer, No vessel other than the one specified on the agreement for berth rental shall be moored in the assigned berth.
- Vessel coverings must be snug and properly tied down, and kept in a neat and clean manner. Off-shore mooring of vessels is prohibited within the jurisdiction of the NJSEA based on the preservation of public health and safety and orderliness of the Marina and shoreline.
- Licensee agrees not to idle the vessel in gear while moored at the dock.
- Fresh water hoses shall be equipped with self-closing nozzles of hand grip type.
- Cooking devices other than original fixed equipment from the vessel manufacturer must not be used in the river area (on or off of vessel).
- The use of portable heaters is not permitted aboard any vessel. Only those fixed heaters originally installed on vessels as furnished from the vessel manufacturer are permitted.
- Signs on vessels moored in the Marina shall be limited to one non-illuminated, neatly lettered sign not exceeding 15 inches by 20 inches displayed at or near deck level. No signs shall be placed on piers, parking areas or storage area without consent of the NJSEA.
- All vessels moored within the marina having sanitary facilities (toilet, sink, etc.) aboard shall have such facilities maintained so as to be in full compliance with all current "Marina Sanitation Device" regulations. Nothing whatsoever, liquid or solid, shall be discharged into the waters of the Marina. A boat waste wash out station is provided on site for the use of licensees. (self-service, 24 hours a day 7 days a week). Violation of this regulation will be cause for immediate termination of the Berthing Rental Agreement.
- Boarding steps may be used for access to a vessel providing they are no wider than one half of the width of the finger to which the vessel is moored, are well maintained, painted white or grey in color, of lightweight construction, and not used as a storage locker.
- Movement of vessels within the Marina shall be for the purpose of entering or leaving a berth. Cruising within the Marina, in any size vessel, is prohibited. When entering or leaving the Marina, vessels must be under power, not sail and shall obey Marina, State of New Jersey and Federal regulations. The maximum speed for entering and leaving the Marina is 5 mph.

III. **General**

- Nothing may be stored, constructed or mounted on the piers or fingers except as noted herein..
- No open flames in Marina.
- All materials for disposal or recycling shall be placed in the proper container.
- No garbage, oil, sludge, sewerage or refuse matter of any kind shall be thrown, disposed or permitted to fall from any vessel using the river.
- No pumping of oily bilge water shall be permitted at any time. Used oil absorbent pads shall be placed in sealed plastic bags and disposed of in a dumpster.
- Routine vessel maintenance work within the marina shall be limited to that which is ordinarily required to keep a vessel in good condition. No major reconstruction work that normally would be done in a vessel repair facility or would tend to make a vessel unseaworthy or unsightly shall be undertaken in the Marina. Berth renters performing routine maintenance shall not obstruct piers and access to fingers with tools and equipment.
- Only non-toxic anti-freeze can be used on Marina Property.

- No outside contractors are permitted in the Marina without specific written permission of Licensor. If permission is granted, Licensee must execute an agreement warranting that the contractor and/or other personnel will carry and specified minimum amount of liability insurance as well as Worker's Compensation insurance, and will provide the Licensor with a Certificate of Insurance naming the Licensor as an additional insured prior to commencing any work. In addition, Licensee must indemnify and hold harmless Licensor from any and all claims that may arise from the work being performed by contractor.
- Whenever it is necessary to perform work onboard a vessel involving the use of welding or burning equipment, the NJSEA shall be advised of the nature and extent of the work, the workers or company doing the job, and the date and time the work will be done. This notification shall be given prior to starting the work and whenever practicable at least one day before the work is to be performed.
- As per NJDEP regulations, cleaning of a vessel's bottom by a diver while the vessel is in the water is prohibited.
- Licensee acknowledges that Licensor makes no representation regarding the adequacy of water levels for ingress and egress. Licensor is not responsible for damages resulting, directly or indirectly from low water levels.
- In the event of severe storm, hurricane or act of God, Licensee is solely responsible for all emergency measures possible and Licensee agrees Licensor does not assume any responsibility for said protection and/or damage to the vessel, personal property or personal injury.
- Licensees are responsible for making Licensor aware of any special hauling instruction for its vessel.
- Any condition on or around a vessel declared a hazard in the judgment of the Licensor shall be removed to the satisfaction of Licensor within seven (7) days of notification of the hazard.
- Licensee shall provide Licensor with day and night telephone numbers and address at which Licensee can be reach in an emergency and to which mail shall be addressed.
- The Licensee hereby authorizes the Licensor to take such steps that in the exclusive opinion of the Licensor are necessary to protect any vessel while at the dock. In such instances, the Licensee agrees to pay the Licensor any labor and materials supplied plus an interest fee at the rate of 18% per annum or the maximum amount permitted by law until the labor and materials are paid in full. Nothing contained herein shall be construed to impose upon the Licensor any liability or duty otherwise not imposed by any other rules or terms of the License Agreement.
- The owner specifically agrees that it shall remove its vessel prior to the termination of its contract. In the event the owner should fail to remove its vessel, the owner hereby specifically grants to the NJSEA, and its agents, the right to remove the vessel and place it in storage, subject to availability, at the owner's expense for the following season without any further action by the owner. Any and all expenses incurred by the NJSEA as a result of the owner's failure to move its vessel shall constitute a valid lien upon the vessel and the NJSEA may retain possession of the vessel until all accrued charges have been paid. The NJSEA reserves the right to assess charges for any vessels remaining at berth after the termination of the contract.
- After vacating a vessel slip at the end of the season or during an extended cruise, the Licensee shall be responsible for the removal of all lines.
- Water service will be terminated on October 31 (subject to weather conditions).
- The boat ramp at the marina is open to the public as well as the licensees. There is no charge to launch a boat at the ramp.
- Licensor does not provide winter storage.
- All vessels shall have a valid boat registration if required by NJ law or regulation.
